

FBICCAA Presents a Rockford Event

Domestic Terrorism / The Sovereign Citizens Movement

Dinner & Presentation

Embassy of Heaven Church

We will get an overview of the Sovereign Citizens Movement. Learn the types of identifiers law enforcement officers should be looking for during their normal course of duty. Sovereign citizens are anti-government extremists who believe that even though they physically reside in this country, they are separate or "sovereign" from the United States. As a result, they believe they don't have to answer to any government authority, including courts, taxing entities, motor vehicle departments, or law enforcement.
