

FBICCAA Presents a Rockford Event

Winnebago County Coroner's Office

Dinner, Presentation & Tour

Please join us for this special event on

Wednesday, July 13, 2016

Discover what a typical day as a coroner is like as you meet Winnebago County Coroner Sue Fiduccia and take a tour of the coroner's office. Beyond learning about such a unique profession, also help us celebrate Sue Fiduccia's career, as she will be retiring this year after serving as Winnebago County Coroner for over 40 years. Sue's responsibilities fall not only on confirming and certifying the death of individuals, but also showing compassion to families during their distressing times, and has been sharing this compassion for the last 40 years with the Winnebago County community.

Complimentary to all 2016 paid members of the Alumni Association

\$20.00 per person for non-members & guest
