

FBICCAA Presents an FBI Movie Premiere

Please join us on Thursday, May 19, 2016

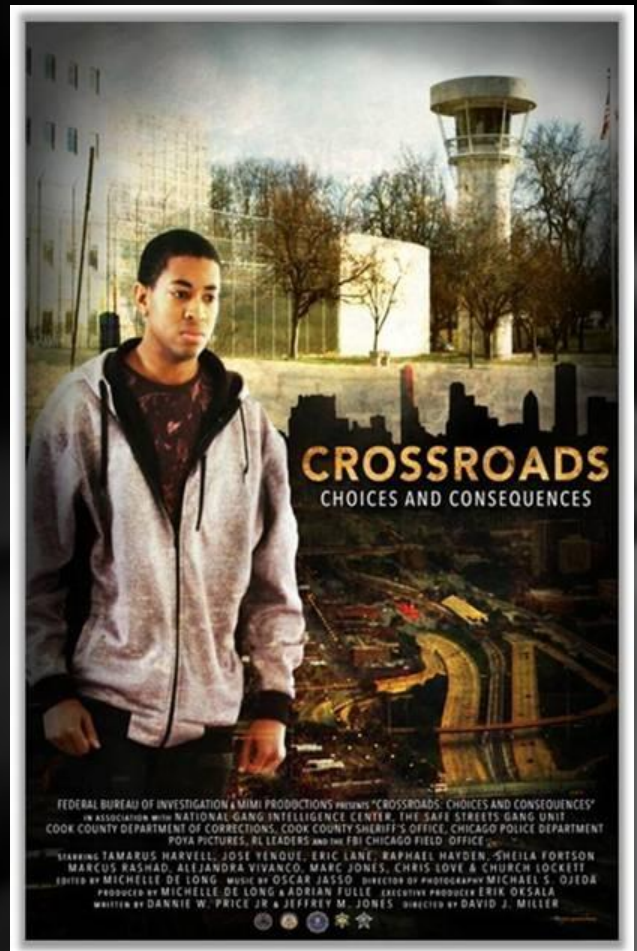

"*Crossroads: Choices & Consequences*", a short film created by the FBI Chicago Division. This film is a dramatic, high-quality film depicting the tough choices that face today's youth and the harsh consequences that can result. *Crossroads* was developed to address the need for relevant and realistic tools for law enforcement as they conduct community outreach presentations to middle and high school students.
