

FBICCAAA Annual Meeting & Active Shooter Presentation

Sandy Hook Elementary School, Fort Hood Texas and a movie theater in Aurora, Colorado, are just a few places an Active Shooter Event has taken place in the U.S. Since 2000, there have been at least 84 such incidents here. They can end as quickly as they start. About 50% of these events end before police arrive on the scene.

The FBICCAAA invites you to join us for a unique presentation regarding Active Shooter Events. Find out how to prepare yourself for such a situation.

The FBI Chicago Field Office will provide this presentation following the FBICCAAA's annual meeting.
