It's nearly unthinkable, but every year thousands of children become victims of crime—whether it's through kidnappings, violent attacks, or sexual abuse, or online predators.

The FBI Violent Crimes Against Children program is dedicated to protecting children from being sexually exploited. Please join us to hear about the latest challenges these agents are facing and what you need to watch for at home.

PROSTITUTION IS A
TERRIBLE LIFE.
ESPECIALLY WHEN YOU'RE
13 YEARS OLD.

A year ago, this 13 year old victim of prostitution was a 12 year old child, unaware of the dangers around her and of the possibility that she could be at risk. Now, having first been seduced by a pimp, she is forced to sell her body daily for his benefit. Sadly, hers is not the only tragedy. Statistics show that hundreds of thousands of children have been lured into prostitution all over the country. These children are forced to have sex with an endless stream of abusers. If they attempt to resist, they are beaten so viciously by their pimps that they live in constant fear of their lives. The suffering that these children endure is unconscionable. That's why we need your help. So to report child prostitution, call the Violent Crimes Against Children Task Force at 312-421-6700. We will dedicate all our resources to help. Because to us, a child lost to prostitution is still a missing child.

WE'RE HERE BECAUSE THEY'RE OUT THERE.

THIS YEAR, HIS CHARM
WILL LURE TEN KIDS INTO
PROSTITUTION. AND HIS FISTS
WILL KEEP THEM THERE.

A pimp's seduction of a child starts with promises of love, excitement and money, and ends with the reality of prostitution. Unfortunately, the average pimp uses these tactics to systematically target and coerce numerous children into acts of misery every year... some of whom are as young as ten years old. These children are forced to have sex with a constant stream of abusers. If they attempt to resist, they are beaten so viciously by their pimps that they live in fear of their lives. The pain, humiliation and degradation that these children endure is unconscionable. That's why we need your help. So to report child prostitution, contact the Violent Crimes Against Children Task Force at 312-421-6700. Together we can help children stop looking for love in all the wrong places.

WE'RE HERE BECAUSE THEY'RE OUT THERE.
