

FBICCAA Presents a Rockford Event

ACTIVE SHOOTER

Dinner & Presentation

DC Navy Yard, Oak Creek Wisconsin and LAX Airport, are just a few places an Active Shooter Event has taken place in the U.S. We see in the news too often that there was another active shooter incident. There is a need for a coordinated response by law enforcement and others to save lives. Working together and understanding what to do if you are involved in an active shooter incident, will aid in the prevention of fatalities and perhaps active shooter incidents.

The FBI is committed to working with its partners to protect schools, workplaces, houses of worship, transportation centers, other public gathering sites, and communities.
