Please join us for a private screening of the recently produced video *"The Proud History of the Chicago FBI"*, hosted by retired FBI Special Agent Ross Rice. This 40-minute film chronicles the history of the oldest and most storied office in the FBI, detailing some of the many milestones of this historic institution. Narrated by Chicago Citizens Academy graduates Andrea Darlas and Steve Cochran, this video honors the FBI professionals that came before today's leaders and gives us a glimpse into the past.
